Commissioner:

The references cited on the attached form PTO-1449 are being called to the attention of the Examiner. A copy of each reference is enclosed.

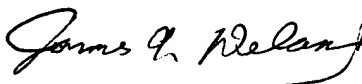

The references were cited during the prosecution of the parent application, US 08/761,606. EP 398,794 and CH 682,133 were cited in a European Search Report for EP 95909981, the European equivalent of related patent US 5,971,420. A copy of the European Search Report is also enclosed so that the examiner may refer to it when deciding the relevance of the references.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.
